Elite+: Barber chair for hairdresser

Beauty Barber. The evolution of Beauty, for men.

Elite, the innovative Salon Ambience barber chair, was born to amaze. A timeless style of chair that combines classic design with new features and applications to meet the current needs of modern Barber Shops. Compact in size but generous in performance, it is extremely versatile: it goes far beyond traditional barbering, crossing new boundaries of the latest Men's Beauty trends. The reclining backrest, in fact, tilts up to 147 degrees, reaching a near complete horizontal position, perfect for Men's Face Care. Amazing comfort is guaranteed by the practical additional footrest (which when closed becomes a comfortable leg rest) and also by the adjustable and tilting headrest and the padded armrests. The style of Elite is enhanced by the chromed metal details giving an extra touch of sophistication and elegance while offering the guarantee of reliability and durability over time. Elite is also available in the plus version with a refined workmanship of the upholstery, enriched with elegant cross-stitching finishes.
