

## Lusso: Shampoo unit for hairdressers

Indulge in luxury with the brand-new Luca Rossini washunit. Equipped with electric legrest and massage system, as well as seat and back specifically designed for well-being, Lusso offers extraordinary comfort. In addition, thanks to the expansive area at the back of the unit, with enough room to even work while seated, together with extreme functionality, Lusso makes the hairdresser's life easier! What's more, Lusso is modular and is also available in 2 or 3 seater, with some smart optional accessories: the practical laundry bag and the useful product tray. This all combined with an elegant, modern and minimal design, making the Lusso the complete solution every professional was waiting for!
