## Lunar: Hairdressing mirror

Minimalism has never looked so good! The Lunar styling unit boasts a refined three-quarter-length mirror with elegant backlighting, and comes complete with a classy, distinguished aluminium work shelf, itself covered with a mirrored surface and containing a hairdryer holder. The Lunar also comes complete with a footrest that continues the clean, geometric style found with the mirror. The Lunar styling mirror is also available as an island unit, with a simple, space-saving column support by a stylish base with rounded edges. Useful product shelves can be found in between the two mirrors, with the structure in white ash melamine.
